## Reminder:

Please remember there will be **NO District Lunches** on Early Closure Days.

Don't forget **Daylight Savings ends Sunday, November 5th** at 2am.

*Clocks need to be set back 1hr.*

## Healthy Lunches

Food is such an important part of your child's day. A range of whole foods helps your child with their learning and emotional regulation. At times, we're noticing a number of children not having enough food in their lunch. Please ask your child if they need a bit more food in their lunch to get them through the day. If your child is on the district lunch program, please

## Class Photos

Individual school photos for students are quickly approaching. The photographer will be here on October 24th. Within a week or two of having the photos taken, the photographer will provide us with a proof and order form which will be sent home to families. No forms will be

## Parent Conferences / Early Release Days—October 25, 26, 2023

Hopefully all families have received a notice from their child's teacher(s) regarding scheduling an appointment to come into your child's class for an interview or conference. The purpose of these informal progress reports is to have a glimpse into your child's learning.

Students will be dismissed at 11:38 on October 25 and October 26, 2023 so that teachers may meet with families to provide an educational update and discuss the year to come.

Buses will arrive three hours early so families with students who take the bus should expect their children to arrive home three hours earlier than normally scheduled.

## Buddie Classes Read-in Day

Students are welcome to wear their pajamas and bring a blanket **Wednesday, Nov 1**. For part of the day Buddie classes will be joining for a quiet time read-in.

## Remembrance Day

With Remembrance Day around the corner, we're looking for local connections to war veterans.

If you have a photo, a letter, or some other information about a family member who fought in the war, we would love to honour them by sharing a short story or photo at our assembly on November 9th.

Please submit photos or artifacts to Mr. Morrow by email or stop by the office. We'd be happy to scan or copy things you may be interested in sharing so you don't have to leave your items at the school.

We'd love to hear from you. .

## After School Sports and Arts Initiative (AASAI)

School District 28, in partnership with the Quesnel Arts and Recreation Centre, through funds by the Province of BC the Ministry of Community, Sport, and Cultural Development is offering the students of the Quesnel community safe, accessible and high-quality art and sport programming in their community school. This engaging and inclusive program welcomes students free of charge in grades 4/5 who attend Lakeview Elementary.

The program will be offered at Lakeview Elementary on Monday and Wednesdays, from **November 6 – December 13, 2023**. Each event begins at the end of the school day and ends at 4:30 p.m.

Note that this program will be cancelled on any days where school is not in session or buses are not running due to weather conditions.

## Halloween Guidelines

Students are invited to wear costumes to school on Tuesday, October 31. There will be a costume parade that will showcase the wonderful costumes students have worn.

### Costume guidelines:

- costumes should be worn to school the morning of October 31 so that changing will not cause disruptions in the classroom
- all make-up should be done before your child arrives at school
- Costume masks should allow proper visibility. Costume masks cannot be worn during class instructional time
- costumes should be age appropriate and follow our school district dress code
- costumes should be culturally respectful
- no replica weapons will be permitted (swords, staffs, knives, axes, guns, etc.)
- no costumes that glamorize "gangster," "pimp" or sexualized lifestyles will be permitted
- staff will not be able to take responsibility for students' costumes so it may be advisable to wear an older costume, or only the part of the costume that may not be damaged
- students will be going outside for recess and lunch breaks so coats should be able to fit over costumes.

By following these guidelines we hope to have safe and fun celebrations.

If you have any questions or concerns please contact the school at 250-747-2009. Thank you for your cooperation.

## Celebrations

Ms. Thew's class and Ms. McCart's class teamed up for science and some learning about simple machines and force.

### Buddy classes:

Each of our classes is paired up with another class. Most buddy groups have regular connections related to reading, outdoor activities and more.

### Groups and clubs:

We currently have many things on the go at the school. Many staff have volunteered to run a club at lunch and we're looking to start some after school. More clubs are expected to start up again when the weather is colder like lego club and chess club. These activities bring kids of many ages together.

Japanese Club

Comic Club

Drama Club

Choir

Volleyball

Floor hockey

Intramural soccer

### Family BBQ

Thank you to everyone who attended our Family BBQ last week. It was really great to see families and staff together, enjoying some food, drinks and games. Thank you to the PAC who purchased the food and to the staff for preparing and serving the food. It was really nice to be able to connect with each other in an informal setting. We look forward to the next one.
