Lakeview Talent Show:

Looking for something to do on a summer's day?

The Lakeview community is invited to attend Lakeview's Got Talent on June 24th at 1pm. This lively event will involve individual and group performances by students (and maybe a few staff)! Come join us for some fun as we send off this school year! More info to come.

Cross Country Running:

Our X-Country running team just completed the School Fun Run. Runners had a chance to qualify for the District Race at Ten Mile Lake on May 16th. Please keep an eye out for the permission form and make sure they get returned before the deadline. Students will be travelling by bus to and from the race, returning to the school around 1 pm. Please send your child with enough water, food and appropriate clothing for this day.

Track and Field:

Grade 3-7s have been busy practicing track and field events a couple of times a week as we prepare for the District Track Meet at CSS on May 28th. On May, 22nd we will be holding our school track and field day where all students (K-7) will have a chance to compete in some sprint races in the morning. Following the races, grade 3-7 students will continue to compete in the field events. From these events, we will select our athletes for the district event. Parents are welcome to attend this event. There will not be a concession on this day, however, it does fall on a hot lunch day.

Book Fair:

Thank you for all of your support at the Book Fair!!

Communication:

Communication is important to us. Please reach out to your child's teacher or the office if you're not receiving information from the class through the planners or other means like online apps (Class Dogo, Remind etc). Please reach out if you're feeling underinformed. Contact info and email addresses for all staff are on the school website at <https://lakeview.sd28.bc.ca/>

Kindergarten Registration and Welcome to K:
