May Upcoming Events continued

Tuesday, May 28 —District Track and Field—Correliou Senior Secondary

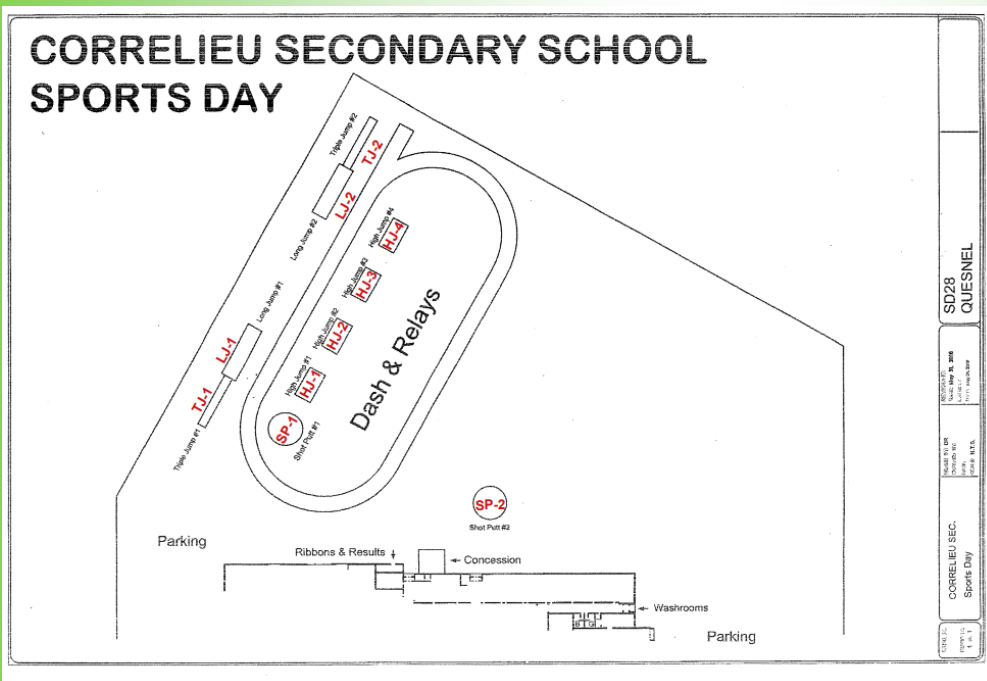

Many students in grades 3-7 have qualified for the District Track and Field event at Correliou Secondary School. These students received a permission form on Thursday and a paper copy of their event and time. Students in Mrs. Scanlan's class have also been invited to be helpers at the event. Some helpers will be assigned to support an event while others will support our younger athletes to make sure they find their event location and arrive on time. If your child received a permission form, please be sure to return it by Monday, May 27th. The team and helpers will be travelling by bus and returning to the school before dismissal on the 28th. Parents are encouraged to come out and cheer on their young athletes.

In the event that we have heavy rains and need to cancel the event, our backup day is May 29th. Cancellation will be advertised through email and the school/district website.
