What we've been up to at Lakeview – May 21st, 2024

Take a look at some of our recent activities:

Grade 3's participated in the Fire Safety House on May 9th:

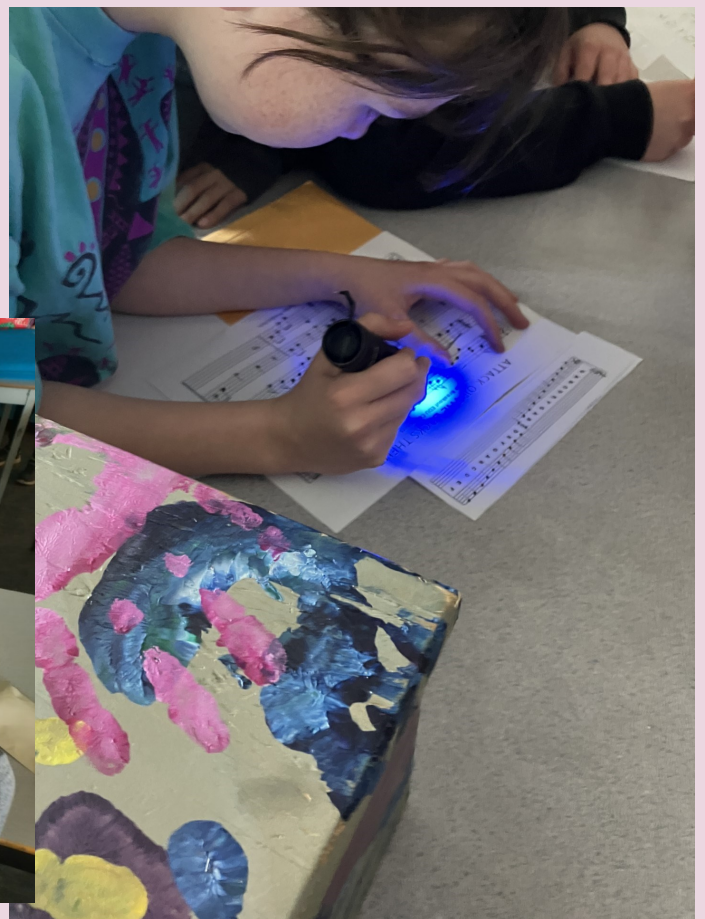

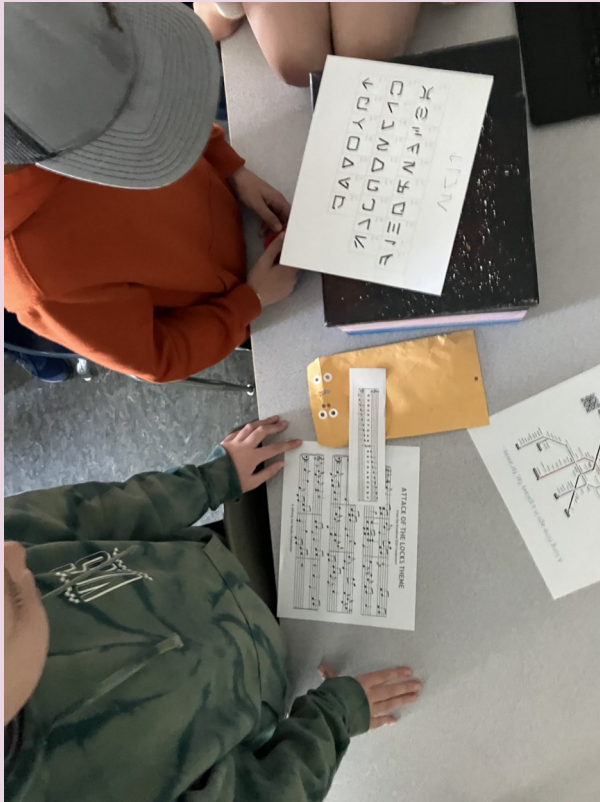

Omnikin Ball in PE— Having fun with cooperative games

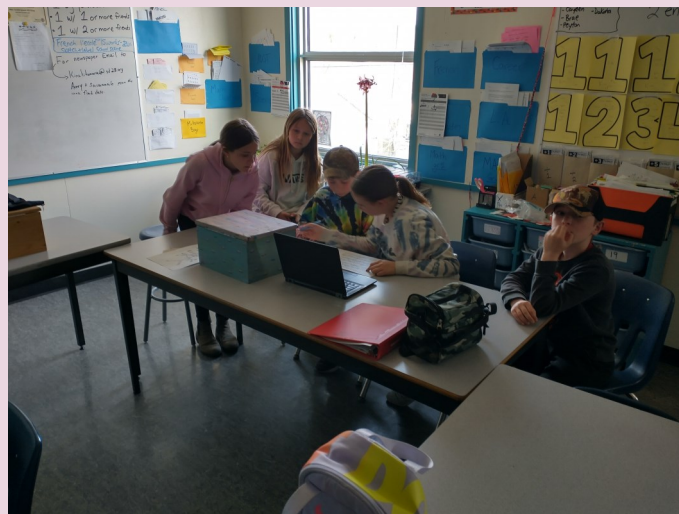

X Country School Fun Run— Our running club ran their 3 km route while others enjoyed a fun run/walk. Everyone had a frozen treat upon their return on this beautiful day.

Breakout Boxes in Mrs. Curle's class—Critical thinking, communication and teamwork are needed to solve the riddles and open the locks. The boxes are like an escape room where students work together to remove a set of locks by solving problems and using clues.
