## Lakeview Elementary School Families

July always seems to go by too fast but, in education, I find September goes even faster. We hit the ground running and have all come a long way since the start of the year. Classroom communities are forming well and students are settled into the routine of school. This is a powerful time for learning.

We had a few key school events this month including our focus on Truth and Reconciliation this week. Your children have been engaged in many meaningful activities.

In our assembly I encouraged students to focus on reconciling with those around them because a healthy community is built one relationship at a time.

We had our Terry Fox assembly and run on Sept 20. I may have told the kids I am 60 years old so they couldn't let me pass them on the run. It seemed the motivation worked! They also thought I wasn't doing that bad considering my age....

There is a joyful atmosphere in this place and it energizes us every day. The grade 7s received their grad hoodies so they are excited about that. Volleyball practices for girls began this week (Tuesdays at lunch and Wednesdays after school) and boys are beginning next week (Wednesday and Friday lunches).

### Upcoming next week

**FREE FAMILY BBQ** - Wednesday October 2nd 5-6:30
