PRINCIPAL'S MESSAGE

Happy almost summer Lakeview Families!

May was full and June keeps up that trend plus a little bit. PAC hosted an amazing Fun Night and students participated in the Lakeview Track Meet and Dragon Lake Fun Run. **Our Lakeview Track Team rocked in the District Track Meet with 23 golds, 15 silvers and 14 bronzes!** The Bookfair was a success and we held our Memorial Walk at the Lhtako Arbour. Thank you Lhtako for graciously hosting us! Students are working on several assessments including reading assessments for primaries and the SNAP (Student Numeracy Assessment & Practice). We had chickens hatch in our school and the gardening club has worked hard to renew the Lakeview garden and transform it into an Indigenous garden with many plants local to us. And that's just a snapshot of all that happened!

Please look at the calendar of June events as the schedule is full. And please reach out to us if you have any questions or concerns.

Sincerely, Chuck Loewen

Pick up/Drop off

FOR STUDENT SAFETY, we ask that parents **do not use the staff parking lots (upper and lower)** for pick up and drop off. I know pick-up and drop-off can be challenging because we have a high volume of vehicles and very little space to park. We strongly encourage you to take advantage of the church parking lot.

Thank you for respecting this request.

Double vision!

Clothing

With the end of year approaching, we have a bunch of lost and found items. We will be reminding students regularly in classes and over the announcements to be responsible for their clothing items but conversations at home will be helpful as well. Please feel free to check out our lost and found which is located in Room 5 near the office.
