Halloween Guidelines

Students are invited to wear school appropriate costumes to school on Friday, October 30.

Costume Parade: We will be having a costume parade in the morning to show off all of the creative and interesting costumes.

Dance: We will be having a whole school dance DJed by Don Schneider. Time TBA. An alternate space will be provided for students as necessary.

Candy: Please limit the candy and treats that come to school to one item in the days and weeks following Halloween.

Costume guidelines:

- costumes should be worn to school the morning of October 30th so that changing will not cause disruptions in the classroom
- all make-up should be done before your child arrives at school
- costumes should be age appropriate (be considerate of our younger students) and follow our school district dress code
- **Costume masks should allow proper visibility. Costume masks not be worn during class instructional time**
- no replica weapons will be permitted (swords, staffs, knives, axes, guns, etc.)
- costumes should be culturally respectful
- no costumes that glamorize "gangster," "pimp" or sexualized lifestyles will be permitted
- staff will not be able to take responsibility for students' costumes so it may be advisable to wear an older costume, or only the part of the costume that may not be damaged
- students will be going outside for recess and lunch breaks so coats should be able to fit over costumes.

By following these guidelines we hope to have safe and fun celebrations.

If you have any questions or concerns please contact us:

Thank you for your cooperation.

Memo

October 7, 2026

TO: Parents and Guardians – Elementary Schools

FROM: Ministry of Education and Child Care and Ministry of Public Safety and Solicitor General

RE: Fair Notice to Parents/Guardians – Elementary Schools

As of October 1, 2026, new laws and regulations under the *Firearm Violence Prevention Act* (FVPA) came into effect in B.C. The FVPA further strengthens existing school and district policies banning firearms on school property by providing law enforcement with additional tools to address and enforce firearms-related public safety risks. The FVPA does this by establishing a clear and consistent province-wide prohibition on firearms, low-velocity firearms (such as BB, pellet, gel, airsoft and paintball guns) and imitation firearms (such as lighters designed to closely resemble firearms) on all K-12 school properties.

Some schools regularly support and authorize a wide range of educational, community and special events on school property, including activities that occur outside regular school hours, on evenings, and on weekends. The legislation includes exemptions for certain safe and legitimate activities, including cadet programs. In addition, individuals who are safely transporting firearms, low-velocity firearms or imitation firearms in a vehicle are exempted as long as applicable requirements in the regulations and all other relevant firearms laws are followed (e.g., firearms remain unloaded and safely stored in a locked trunk or container).

For information on existing policies in the school or district that ban firearms, please refer to [SD 28 Procedures No. 305 – Student Code of Conduct](#)
